THE BRAND NEW! HUSQVARNA RIDER R 419TSX AWD

The new rider from Swedish Husqvarna has a 95 cm wide cutting range. The highly effective cutting blades also offer BIO cutting, which finely chops your grass which benefits your lawn.

With the 2.5 HP Briggs and Stratton engine, there will be no shortage of power! The rider comes with an all-wheel drive (AWD), and a turning radius of only 20 cm which gives you full manoeuvrability.
